June 2010 Newsletter

As President of the Hoosick Aeromodelers I would like to personally thank everyone who has helped out on the upcoming Fun Fly. The Fun Fly will be on June 12 and 13 over at Strawberry Acres flying field. George has donated \$ 50.00 to the add campaign and with his help we will have a full two page ad in the local Bennington Banner along with an ad in the local Pennysaver and Manchester Journal. Jan Lampman has also donated \$ 50.00 for the fun fly along with Menno and Tim Smith and others. Tim and I will be donating the hot dogs and hamburgers which Bob Wilcox will be picking up before the event.

We still need volunteers for the Shortcake tent for Saturday and Sunday. They will need to be at the Fun Fly by 10 AM and stay until around 4 PM. Also we need some more donations of bottled water and some more soda. Remember, these two items are high moneymakers for the club. Give George a call if you can help.

We have commitments from two local pilots that will fly in for a noon time air show, weather permitting of course. Willard Van Wormer will be flying in on Saturday with his beautiful WWII Steerman Biplane and on Sunday John Cahincik will fly in with his Great Lakes Special Biplane. This, along with the great local advertising for the general public should make our fun fly a resounding success.

I urge each and every club member to come out and volunteer and lend a hand where ever needed so we can make this a banner year for our club and help to increase our fund raising for the upcoming summer flying season and beyond.

Richard Scheer
